

Question Pattern

1.English-15 q

2.Quant+reasoning-20q

3.Tech-15q

time 1 hour n sectional cut off was there. 260 cleared written.

Then tech interview and finally hr . If u clear tech u will get hr form else rejected.

English was easy u can clear the cut off.

Maths n reasoning q were lengthy

Tech was easy all were related to computers...

1 unix command q

which command is used to show device used

ans -tty

2 sizeof()

is a fun or operator

(Ans operator)

TECH INTERVIEW

There were 10 panels and I was last to have my tech interview on 12:30 am. As I was form Bsc Maths he asked some series output. I was unable to answer.

Then asked about favourite c or c++>I told c++ .He asked

Friend fun

Copy constructor

Polymorphism

Fun overloading

Finally he told u r last person so I will not reject u and gave me the hr form. He was a cool guy..

HR INTERVIEW

I was last in HR also at 3 am in morning

Only 3 panels for hr. All were Lady. Mine Hr was a Young lady

She asked

1.how was your tech interview

2>How u r consistent (FROM my Hr form)

3.Ur objective

4. why gap in your career>(I had 1 yr gap)

5.about UTSAAH (A Social group of our MCA dept)

She was very much Impressed by our U TSAAH group.

She told that I appreciate such noble acts that apart from such a rigorous course still your

Getting time for such social services.”” What a approach”

6.R u ready to be reallocated???

7.R u Clear about terms n conditions???

Finally she Replied that u have “Very short and Sweet Interview-I liked it”.Finally results declared in 4 am and 106 r selected.

HR was very easy. Maintain I contact and confidence and obviously smile. If u cleared tech 90% u r a Wiproite.They empashis mostly on electronics and vlsi (IF it is in your core)
